Statement of main factors taken into account in making the above declaration

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

Subject to the outcome of the demand and capacity review, jointly commissioned with the CCGs, which is scheduled to conclude during Q2, there is a risk that the Trust will not be commissioned to enable achievement of statutory ARP targets. In the opinion of the Board, this will have the effect of putting at risk meeting the specification or means of provision of a Commissioner Requested Service, which would be dealt with pursuant to the License (CoS1 paragraph 3).

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
