Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 200907.

You requested the following information, please also see our response below:

**1) how many members of staff in your trust or group have any of the words “equality”, “diversity” or “inclusion” in their job title.**

We have 2 members of staff with words of “equality”, “diversity” or “inclusion” in their job title.

**2) how many members of staff of your trust or group have received unconscious bias training in each of the last five years.**

We have ‘under 10’ that we are aware of have undergone specific training, but an unknown number who have been offered and possibly undertaken this training with outside vendors.

SECamb interview training does cover this within the course to an extent and to date we have trained 276 staff members on this course

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
