Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 20/10/05.

You requested the following information, please also see our response below:

- **The total number of full-time and part-time employees employed by your trust (as of 1st October 2020 or latest figures available)**
Circa 4000
- **The total number of full-time and part-time employees employed by your trust with professional data security / cybersecurity qualifications (as of 1st October 2020 or latest figures available) - Common qualifications may include any cyber or IT security related qualifications such as CISSP, SSCP, CSA, CEH, CISA, CISM, Security+**
<10

Please note that for figures that are less than 10 we are unable to provide the exact number as it may be identifiable to individuals.

- **The total number of full-time and part-time employees employed by your trust who have completed cyber security training over the last 12 months (prior to 1st October 2020 or latest figures available)**
Cyber Security training is incorporated within the mandatory Trust IG training which is completed on an annual basis. In line with Data Security & Protection Toolkit requirements the Trust must demonstrate that 95% of its staff have completed this.
- **How much money (in pounds sterling) has been spent on cyber security training during the last 12 months (prior to 1st October 2020 or latest figures available) this may include GDPR-related training**
No dedicated IT security training has been conducted by Trust IT staff
- **How many penetration tests has your organisation had from an external third-party in the last 12 months? (prior to 1st October 2020 or latest figures available)**
