Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 20/10/17.

You requested the following information, please also see our response below:

I'd like to request the number of call-outs (that is, the number of times an ambulance has been dispatched) to the site of the former barracks outside Folkestone, commonly referred to as Napier Barracks, but also sometimes: Burgoyne Barracks, Sir John Moore Barracks, Risborough Barracks and Somerset Barracks. The address for the barracks is North Road. Please provide the number of call-outs with a breakdown by date and time, up to and including the most recent day available from your records at the time the request is dealt with.

Week of year	Nos of call-outs
39	<10
40	<10
41	<10
42	<10
43	<10

- All values provided are from 21st September 2020 up to and including 18th October 2020.
- Values provided are based on a search of the locations: "Napier Barrack", "Shorncliffe Camp", "Burgoyne Barrack", "Sir John Moore Barrack", "Risborough Barrack", "Somerset Barrack". As well as a search of the following postcode: "CT20 3HF".
- Please note that not all cases may be identified if this has not been recorded and not every case will be directly associated with the barracks e.g. a civilian related call-out on the road outside the barracks.
- Values provided will include all callouts associated with the addresses and postcodes stated above.

- We are unable to provide a breakdown of callouts by date and time as this would be too patient identifiable. Therefore, we have provided the number of callouts by week during the time period stated.
- Please note that for figures that are less than 10 we are unable to provide the exact number as it may be identifiable to individuals.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
