Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 201201.

You requested the following information, please also see our response below:

**In December 2019, UTCs were established. I understand it was hoped that the expansion of services offered at UTCs would reduce the number of attendances at A & E and services at UTCs would be standardised as far as possible. I hope this objective has been realised. To this end, I would like the following information, by calendar month December 2019 to November 2020, for the UTCs within the Kent & Medway CCG:**

**"The number of people conveyed by ambulance to each UTC "**
