Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 201221.

You requested the following information, please also see our response below:

I am writing to request a copy of your organisation's policy and clinical guidance for decisions to commence or forego resuscitation and when to cease resuscitation. If there is any COVID-19 specific advice please provide both this and the pre-COVID-19 advice. If your organisation only uses JRCALC or other guidance please specify this.

Resuscitation practices within SECamb follow the outline of JRCALC guidance with some local variations. During COVID-19 we have made some additional temporary modifications to support the unique challenges.

Attached are the supporting documents.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
