Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210332.

You requested the following information, please also see our response below:

Could you please tell me over the last five years the amount of calls out to people who had suffered an ailment/injury that was related to social media? Could you please break these down by year and by age e.g. under 18, 19-34, etc.

Please come back to me if the wording needs to be altered but by way of guidance, here is an example of what I mean:
