Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210410.

You requested the following information, please also see our response below:

Please could you provide me with a dataset that encompasses the following elements? Ideally for the last 5-10 years.

The number of calls attended by SECamb for road traffic collisions

- **The incidence for gender**
- **The incidence for various age ranges**
- **The outcome (i.e. discharged/referred/conveyed/deceased)**

Please find FOI data sheet attached.

We are unable to provide patient outcomes as we don't hold this data, data provided is from July 2017 to date. Items with values below 10 have been replaced. In some instances, we don't have patient age.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
