18th May 2021

Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210425.

You requested the following information, please also see our response below:

I would like to make a request for the following information relating to Health Education Funding provide by SECAMB.

Could I ask how many applications were *granted* via TED applications or otherwise for:

- **BSc, MSc and other university modules during the years 2017/18, 2018/19, 2019/20 and 2020/21**
- **The specific course/titles**
- **Associated universities**
- **Amount of funding granted per course**

and which department the staff member was associated e.g. A&E operations, clinical education, medical directorate etc

As per the TED procedure, 25%, 50% or 100% funding was allocated to successful applications based on the necessity rating of the activity as given by the applicant's line manager.

The following information is an approximative list of HEI modules that received sponsorship during the years specified. Please note that the following does not include PED courses or internal specialist academic pathways.

KEY: Course Title – Associated University; Directorate; Average Cost of Module
