23rd June 2021

Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210625.

You requested the following information, please also see our response below:

-How many people were treated by SECAMB for injuries relating to using an E-scooter in 2020 (1st January – 31st December)?

-How many people needed hospital treatment for injuries relating to using an E-scooter in 2020?

Number of Responses is <10

Number of Transports is <10

Please note, this information is taken from where "escooter" or "e-scooter" have been mentioned in the notes by calltaker. Responses are where there is a time at scene and transports are where there is a time at hospital. Please note this may not include all incidents with scooters involved and may exclude incidents like RTC's or falls where the e-scooter has not been mentioned.

Also note that for figures that are less than 10 we are unable to provide the exact number as it may be identifiable to individuals.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

FOI@secamb.nhs.uk

Yours sincerely

Freedom of Information Coordinator
South East Coast Ambulance Service NHS Foundation Trust
