Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210727.

You requested the following information, please also see our response below:

I am looking at researching commercial roles within the NHS. In particular I am seeking information on Chief of Staff roles in the NHS.

I am trying to find out:

- **Do you have a Chief of Staff. If so, what band are they please? (you might have more than 1)**
- **Do they have line management responsibilities (even just understanding if they manage a team or any individuals would be really helpful.**
- **The final question is what team do they sit in / job title might help with this - are they Chief of Staff in a particular office**

We do not have a 'Chief of Staff' role. We have various Executive Director roles which have line manager responsibilities. This information is available via our website www.secamb.nhs.uk within our annual reports.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
