Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210823.

You requested the following information, please also see our response below:

I'm putting together information for the new A RYE GOOD TIME Town App and would really like to include where the current defibrillators are and their exact location / access info , so that they can be found via google maps locator.

We have 30 PAD sites registered on our CAD system at the TN31 (which shows as RYE Post Code on google)

Please note that we are unable to disclose the exact location due to data protection.

When most of the public owned machines were installed and requests were made to be added to our CAD, no agreement was signed by the guardians to allow us to share the locations of the machines. As these could be in either local businesses or on personal property, we are limited to who we share this information with. This is only shared with a 999-caller dealing with a cardiac arrest.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

FOI@secamb.nhs.uk

Yours sincerely
