Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 210920.

You requested the following information, please also see our response below:

I would like to make a request for information in accordance with the Freedom of Information Act I am contacting you at the South East Coast Ambulance Service NHS Foundation Trust to request payment data. I am requesting data about payments made by the South East Coast Ambulance Service NHS Foundation Trust to external suppliers for purchases of goods and services between 2020-01-01 and 2020-12-31. I understand that information about items of spending over £25,000 is published on your website. I would like to request some complementary information, if possible. What I am requesting is a compiled list, ideally in Microsoft Excel format, of your external suppliers which contains the following variables:-

- The name of the supplier**
- The supplier's VAT identification number**
- The total amount paid to the supplier during the year 2020 for purchases of goods and services. The amounts can either be including or excluding VAT. This request only regards suppliers to whom the organisation has paid £5,000 or more during 2020. If information about any specific supplier is too sensitive to produce, feel free to remove it from any potential list.**

Please see below table.
