Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 211208.

You requested the following information, please also see our response below:

**Please list the supplier and system name of all data management systems in use for point of care testing devices within your hospital/trust.**

The Trust uses Point of Care Testing on a small scale, limited to capillary blood glucometry. These devices are standalone items and therefore we do not have integrated data management systems for these.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
