Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 220122.

You requested the following information, please also see our response below:

Do you record or log calls whereby the caller reported an adverse reaction to the covid vaccines?

If yes, how many calls have you received whereby an adverse reaction to the covid vaccine was reported or logged since 8 December 2020?

We record suspected coronavirus, but do not record if this was due to an adverse reaction to covid vaccine.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
