Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 220749.

You requested the following information, please also see our response below:

**Under the Freedom of Information act 2000, I would like access to the following data from your ambulance service region:
Examples of the types of standby locations and/or hubs used to by your ambulance trust to maximises its availability to respond to patients. For example, are they located at churches, lay-by's, petrol stations, etc,?**

All our locations are listed on the Trust website and can be found on this below link:

[Our Locations - NHS South East Coast Ambulance Service \(secamb.nhs.uk\)](http://www.secamb.nhs.uk)

This shows all 108 sites including our 67 Ambulance Community Response Posts (ACRPs). These sites vary from standalone Portacabins, co-location in Fire Stations and Medical Centres, serviced offices such as REGUS, and previously used Ambulance Stations. Roadside standby is not frequently used by SECamb.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely

Freedom of Information Coordinator
