I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 221109.

You requested the following information, please also see our response below:

I am writing under the Freedom of Information Act with a request regarding partnerships and/or collaboration with Chinese organisations.

Please provide me with details of any placements, secondments or other work, training or study-related collaboration undertaken at your organisation in the last five years with organisations based in China.

This could include, but is not limited to, training courses delivered, exchange programmes offered, or secondments to your organisation for knowledge sharing.

Please provide the date the collaboration started and ended, the name of the organisation, which department the collaboration was related to and (if applicable) the names of any of the Chinese organisation's staff members who worked/undertook training/took part in secondments etc at your organisation for any period of time

We do not have any partnerships and/or collaboration with Chinese organisations.

I hope you find this information of some assistance.
