Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 221126.

You requested the following information, please also see our response below:

a) The number of roles in your association (expressed in numbers of FTE), that are mainly or exclusively focussed on issues of equality, diversity, or inclusivity. For example, this could include (amongst other guises) “EDI officers” or “diversity and inclusion project managers” but would not include general HR managers.

1.00FTE

b) Either a) the pay band of each of these roles, or b) the combined total salaries for these roles. Whichever measure is more in accordance with your data preferences.

Band 8a

c) In the past 12 months the number of staff days across your organisation which have been committed to attending equality training programmes, whether internally run or with external consultants. (staff days = duration of the training programme multiplied by the number of staff in attendance for the course). If unable to provide please mark as N/A in your return.

Equality & Diversity training is provided by eLearning. To date this financial year, (October 2022), 3186 staff members (74.51%) have completed training.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
