Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 221150.

You requested the following information, please also see our response below:

Please provide the following data:

- **Number of OHCA (Out of Hospital Cardiac Arrest) cases which occurred for the South East Coast Ambulance Service NHS Foundation Trust**
- **Number of OHCA resuscitated by the South East Coast Ambulance Service NHS Foundation Trust**
- **Number of times a defibrillator was used**
- **Number of times a Publicly Accessible Defibrillator was used**
- **A list of postcodes where each OHCA occurred**

Please send data from the following date bands if possible:

- **01/12/2020 - 30/11/2021**
- **01/12/2021 - 30/11/2022**

It would be helpful to receive this raw data in a spreadsheet format with the headings Resus, Public AED Used, Defibrillation and Postcode, if possible.

Please see the attached data spreadsheet.

Please note that as a Trust SECamb complies with the ICO Anonymisation Code of Practice. It applies the 'less than 10 caveat' in instances where resulting data relates to minimal numbers when responding to requests for information.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

FOI@secamb.nhs.uk

Yours sincerely

**Freedom of Information Coordinator
South East Coast Ambulance Service NHS Foundation Trust**
