Dear,

**Tel: 0300 123 0999**  
**[www.secamb.nhs.uk](http://www.secamb.nhs.uk)**

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230324.

You requested the following information, please also see our response below:

Under the Freedom of Information Act of 2000, please can you provide me with the following information:

**How much did secamb pay in the period 01/01/2022 each month till 28/02/2023 in**

**ULEZ** £0

**LEZ** £0

**Or any other area of the county's emissions zones?** £0

**How many vehicles are within the fleet that are exempt?**

Of a Fleet of 896 vehicles, we currently have 773 vehicles that meet all ULEZ requirements. Outside of this we have 123 vehicles that do not meet ULEZ requirements, with 73 of these vehicles being operational response vehicles that have a memorandum of understanding (MOU) exemption in place with Transport for London (TFL). The remaining 50 vehicles are non-operational vehicles that have no requirement to enter these zones.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
