Dear,

Tel: 0300 123 0999
www.secamb.nhs.uk

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230329.

You requested the following information, please also see our response below:

Under the Freedom of Information Act of 2000, please can you provide me with the following information:

I am a second year student paramedic studying at the University of Portsmouth undergoing my dissertation plan and I am looking into the use of Pentrox® (Methoxyflurane) within frontline ambulances in the UK. I was wondering if this is something that you are currently using or have plans to introduce within the trust?

Penthrox was introduced into the Trust formulary on 31/03/2022 for use by frontline paramedics via PGD.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
