Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230333.

You requested the following information, please also see our response below:

Under the Freedom of Information Act of 2000, please can you provide me with the following information:

A list of each ambulance call out, along with response time, and severity category, since Jan 01 2019, along with the postcode district of the call out. Please could I have the information in machine readable format (like excel or csv?). For example the columns could be as follows: date | postcode_district | response_time | severity_category
I'm interested in this as I'm looking to find out disparities in ambulance response times across postcode areas by category

Please see attached Excel spreadsheet.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
