If you determine some of the information I have requested to be exempt from disclosure, please redact exempt information with black boxes, instead of snipping or excerpting and please state which category of exemption you believe applies to the information.

As this figure is less than 10 we are unable to provide the exact number as it may be identifiable to individuals.

We are unable to provide further break down as this could be identifiable to individuals and is therefore exempt under Section 40 (2) – Data Protection
