Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230350.

You requested the following information, please also see our response below:

Please could I request the video recording of JPFs dated September 2022 and October 2022, where C420 is discussed?

Under Data Protection legislation, we would need the explicit consent of all attendees at the meeting to disclose a Teams recording to a third party. We have sought this, but do not have the necessary explicit consent from all present at these meetings to release these recordings.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
