Email:

Dear,

Tel: 0300 123 0999
www.secamb.nhs.uk

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230352.

You requested the following information, please also see our response below:

This is an information request relating to delays caused by LTNs.

Please include the following information:

- **Whether information is recorded on the number of incidents where ambulances or other emergency vehicles within the service's remit have been delayed as a result of low traffic neighbourhood barriers**
- **If this information is held, please provide the number of incidents for each of the following financial years: 2020/21, 2021/22 and 2022/23 (to present)**
- **Please also, if this information is held, provide the local authority area within which each incident occurred**
- **Please also, if this information is held, provide information on the length of each delay**

We do not record information relating specifically to low traffic neighbourhood barriers or any associated delays. This would require a review of each incident's notes exceeding 18 hours.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

FOI@secamb.nhs.uk

Yours sincerely

**Freedom of Information Coordinator
South East Coast Ambulance Service NHS Foundation Trust**
