I am writing to you under the Freedom of Information Act 2000 to request the following information. Please may you provide me with:

The number of times an ambulance has required at the Club Chemistry Nightclub regarding a drink spiking incident in the years, 2015,16,17,18,19,20,21,22

Year	Count
2015	0
2016	Less than 10
2017	0
2018	0
2019	0
2020	0
2021	Less than 10
2022	Less than 10

Please note that for figures that are less than 10 we are unable to provide the exact number as it may be identifiable to individuals.

Please note the data given has used the following definitions:

Date Range: 01/01/2015 - 31/12/2022

Criteria: As there is not a code available for suspected drink spiking, so call notes were searched for '%spike%' and '%spiking%'

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
