Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230150.

You requested the following information, please also see our response below:

The following information is being requested to enable this to happen:

For the year 2018 to 2019, details of all incidents reported to the Trust via the incident / accident reporting system.

This is to include:

Incident date.

Anonymised description of the incident / accident.

Location / department / specialism.

How the Trust categorised the incident i.e., accident / assault / near miss, etc.

We are unable to provide a response to the above as this would involve looking at each incident individually and would exceed the allocated 18-hour timeframe for FOI requests

The total number of violent / assault incidents recorded, by month, for the year 2018 to 2019.

	2018	2019
January	43	43
February	42	51
March	53	52
April	64	44
May	49	76
June	44	56
July	51	59
August	49	88
September	40	60

October	35	48
November	52	46
December	45	53

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
