Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230525.

You requested the following information, please also see our response below:

**I wish to obtain the number of times the trust has utilised/dispatched (non-contracted) private event medical companies to attend trust incidents within the locality of the events they are covering between January 2022 and January 2023.**

We would not dispatch a non-contracted private events medical company to attend Trust incidents as we would not be aware of their presence at events. We would be contacted by the company or event management if they required our attendance.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
