Under the Freedom of Information Act, I would like to request the following information.

For each year since 1st January 2015:

- 1. How many calls were received by 999 or 111 services relating to falls within Chichester city centre?**
- 2. How many of those calls required attendance by an ambulance/first responder/member of staff from SECAMB or related partner agencies?**
- 3. How many people were treated at the scene?**
- 4. How many people have been conveyed to other NHS services, and which services they were taken to.**
- 5. Once a crew was despatched to a call, how long did they spend with the call before they were released and able to be dispatched to another call (or take a rest break)?**

Please see our response on the attached spreadsheet.

I hope you find this information of some assistance.
