Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230708.

You requested the following information, please also see our response below:

**I am carrying out a dissertation about the use of methoxyflurane and I was wondering whether this is something you use in your service? And if not, then why?**

Methoxyflurane (Penthrox) is listed on our Trust formulary and available for registered paramedics to use.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
