Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 231124.

You requested the following information, please see our response below:

I would like to make the following FOI request for South East Coast Ambulance Service NHS Foundation Trust:

What training has been delivered to staff within the Trust relating to religion and religious beliefs, within the period 1st August 2022 to 1st August 2023?

I would like a list of all the sessions delivered to staff. If a course has been delivered multiple times, please list each instance separately. For each one, I would like to know:

- **What was the session title or topic (if known)?**
- **Was the session delivered (even if only partially) by someone external to the Trust?**
 - o **If so, who?**
 - o **How much was paid to them for this?**
 - o **If payment is made, please specify if VAT was applicable, and if VAT is included in your figure(s).**

For “religion and religious beliefs”, please include any training which is likely to include a significant amount of content about the needs of religious people.

The only training that is currently on offer for colleagues is the Statutory and Mandatory Equality and Diversity training which is delivered in house and online. It covers a section on religion and religious beliefs as per our statutory requirements.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
