In this instance, the Trust has not responded to your request within the required 20 days, and for this I apologise.

You requested the following information, please also see our response below:

1. **Since 1st January 2022 how many staff have been given permission to work remotely outside of the UK?**

Not recorded centrally. This practice was disbanded January 2023.

2. **Please provide a list of each unique approval detailing; country, job title of the individual concerned and length of time spent working outside of the UK.**

Not recorded centrally

3. **Are there any additional associated costs created by staff working outside of the UK. Please provide a breakdown of these costs and the total spent since 1st January 2022.**

There are no additional associated costs created by staff working outside the UK, remote staff are given the same support package (laptop etc) as those working remotely within the UK.
