Dear,

Tel: 0300 123 0999
www.secamb.nhs.uk

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 240454.

You requested the following information, please see our response below and on the attached spreadsheet.

Can I please request, in the form of a spreadsheet such as Excel or CSV file, information on ambulance call outs in relation to heatstroke. I would like the total number of call outs for patients who have suffered from heatstroke either as a primary or secondary cause of illness.

I would like the information to cover the period 2003/04 to 2023/24 and be broken down by month.

Please see attached spreadsheet.

We do not have access to the relevant data pre 2018 so we have provided the information from 2018-2024 which we hope will be acceptable to you.

We have provided data on calls where heatstroke was recorded as the primary cause of the 999 call.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
