I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 240512.

You requested the following information, please also see our response below and the attached document:

I am interested in the medication formulary being used by your Trust. Under the Freedom of Information Act, I would like to request the following information:

“Could you please provide me a list of medications being used within your ambulance service by job role – i.e. which group of staff (clinicians) can administer what medications. Could this request include the medicine name, the strengths or dosages of medications and the route of administration”.

Please see attached document.

The version of this document is yet to be approved but we have opted to share this to make it as accurate as possible. This version of the current appendix has been corrected ahead of formal ratification.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
