Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 240527.

You requested the following information, please also see our response below:

Could I please have the details of the number of patients receiving adrenaline post-ROSC (as a bolus, or with an infusion) over last 3 years?

Year	Number of incidents where ROSC and adrenaline use recorded
2021	727
2022	811
2023	837

Note: Since the timelines of events are not always precisely recorded, it is not possible to determine whether adrenaline was always used after ROSC in each of these incidents.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
