I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 240724.

You requested the following information, please also see our response below:

I am making a freedom of information request about the use of naloxone on ambulance callouts.

Please could you tell me:

- 1. The number of callouts on which naloxone was used**
- 2. The number of people naloxone was used on**
- 3. The number of doses of naloxone administered**

I'm interested in as much detail as you can provide time-wise. If you have weekly or monthly breakdowns, that's great. If you have it broken down by day that would be ideal but I appreciate that may not be possible.

Please provide data going back from now (or the most recent data you have when processing this request) to 1 Jan 2023.
