Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 230914.

You requested the following information, please also see our response below:

**Under the Freedom of Information Act 2000, I would like to know:**

- **The number of your doctors that have returned to work for your organisation after having previously retired.**

For each of the last 5 years (June 2020 to June 2024), there have been less than 10 doctors that have returned to work each year after having previously retired.

**I'd like this information for each of the last five years, with June 30 as year-end. If this is not possible then please use the year-end used internally by the organisation.**

**If you are unable to provide numbers for both the annual allowance tax charges and the lifetime allowance tax charges, please prioritise data for the annual allowance tax charges.**

Figures for annual / lifetime tax allowance charges;

This is a personal taxation matter for individuals to assess and declare. Records are not held by SECamb about these matters.

**If you are unable to provide five years of data, please provide four years of data, if you are unable to provide four years of data, please provide three years of data, otherwise please provide data for the last two years. If this is not possible, then please provide data for the last year.**

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
