Dear,

Tel: 0300 123 0999
www.secamb.nhs.uk

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 240119.

You requested the following information, please see our response below:

I am looking for data in 2023 on how many 999 calls with the 'Stabbing' NOC were attended to by SECAMB, broken down into Dartford and Medway compared to the rest of the trust please.

Clarification was requested as to whether this information related to Local Authority or Operating Units.

Operating units please.

| Operating Unit | No. stabbing incidents, 2023 |
|---------------------|------------------------------|
| Dartford | 46 |
| Medway | 76 |
| Elsewhere in SECamb | 528 |

The term stabbing used in the nature of the call, doesn't always mean that is what is presented when we arrive at scene. These numbers also don't take account of cause ie intentional or not. More accurate information concerning crimes relating to stabbing (knife crime) can be obtained by contacting the local police force.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
