I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 240133.

You requested the following information, please see our response below:

Please may I request the following information under the Freedom of Information Act 2000.

Please can you indicate in the table below which services, if any, your organisation procures and advise who currently provides that service. Please confirm the current contract end date, how many journeys are conducted per annum (including aborts, excluding cancelled), the approximate spend per annum and lastly, please indicate how many months in the previous 12 they achieve their Inbound and Outbound KPI targets.

If you are answering on behalf of multiple sites / Trusts or geographical areas please state which and if the contracts differ between these please complete a separate table as appropriate.

Services Procured	Current Provider	Contract End Date	Patient journeys per annum	Spend per annum	In the previous 12 months, how many times was KPI achieved?		
					INBOUND	OUT Outpatients	OUT Discharges
Non-emergency patient transport							
High Dependency							
Mental Health							
Renal Dialysis							
Taxi Services – staff and/or patients							

The Trust does not procure any of the services mentioned. We do occasionally utilise local Taxi services to transport patients, where safe to do so, as part of our 999 Emergency Service, however this is not a contracted service.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
