Response

The formal Trust response follows.

The Trust confirms it holds the information you requested.

Under the Freedom of Information Act 2000, I would like to request the following information:

1. A list of nursing agencies currently utilized for nursing and care staff at South East Coast Ambulance Service NHS Foundation Trust.

Nursing only – Hallam, Connaught and Merco

2. Spend data for nursing and care agencies across all areas of the Trust for qualified staff, covering the period from April 2023 to April 2024.

The Trust does not have specific nursing spend data, we do employ Clinical Advisors in our 999 and 111 call centres to provide telephone triage to patients. These Clinical Advisors can hold different qualifications, some maybe qualified nurses.

The spend for April 2023 to April 2024 for Clinical Advisors was £2,124,110

3. Information on off-framework agencies that supplied nursing staff between April 2023 and April 2024, including the associated spend data.

No off-framework agencies used
