Request

You asked us:

I am writing to request information under the Freedom of Information Act 2000. Specifically, I would like to know which private ambulance companies the South East Coast Ambulance Service NHS Foundation Trust currently has contracts with.

To clarify, I am seeking details of any private ambulance providers, whether these contracts are for non-emergency or emergency services, and the duration of such contracts, if available. If this information is held in a form that can be made public, I would appreciate it if you could provide a list of all such companies and any relevant details, such as the scope of services provided under these contracts.

We have processed your request under the Freedom of Information Act 2000 (FOIA)
