The Trust has elected to withhold some information as exempt from disclosure, under section 43 of the FOIA. This section concerns exemption from the individual right to receive information from a public authority, where its disclosure would be likely to prejudice the commercial interests of any person [S.43 (2)].

The Trust does not confirm whether it holds information matching this description. Compliance with the public entitlement to be informed – described under Section 1(1)(a) of FOIA2000 – would be likely to prejudice the commercial interests of the Trust. The duty to confirm therefore does not arise, as exempted by Section 43(3) of the same act.

5. Whether any contract variations or substitutions have been made since award (e.g., changes in supplied models, pricing adjustments, or supplier changes).

No amendments have been made to the Contract
