Formal Response

SECAMB is not commissioned to deliver any of the services outlined in this FOI request.

Accordingly, SECAMB does not directly provide, commission, or oversee any of the following services:

- Children's ADHD assessments
- Children's Autism assessments
- CAMHS therapy services (including CBT, family therapy, psychotherapy, group interventions, etc.)
- Adult ADHD assessments
- Adult Autism assessments

As SECAMB is not commissioned for these services, there are no teams, directorates, care groups, or divisions within SECAMB responsible for delivering or overseeing them. Likewise, SECAMB does not manage any waiting lists for these services, whether internally or via external providers.

No additional pathway documents, service specifications, or summaries relating to ADHD, Autism, or CAMHS therapies are held by SECAMB, as these services are not within SECAMB's remit.

If you require information regarding the provision of these services, please contact the relevant NHS Trust or provider commissioned for this care within your area.
