Next steps

Some information held by the Trust is routinely published on our [website](#) and may be of assistance.

If you are dissatisfied with the Trust's response to your request, you have the right to ask for an internal review.

Requests for an internal review should be submitted within **40 working days** of the date of this response and should be sent to:

Richard Banks, Head of Corporate Governance at FOI@secamb.nhs.uk

The internal review will be conducted by an individual who was not directly involved in handling your original request, ordinarily the Trust's Data Protection Officer. We aim to complete internal reviews within **20 working days** of receipt.

If you remain dissatisfied following the outcome of the internal review, you may complain to the Information Commissioner's Office (ICO). The ICO generally expects complaints to be raised promptly following the completion of an internal review.
