Dear ,

Thank you for your request for information, which we received on **26/03/2026**.
We have considered your request under the Freedom of Information Act 2000.

Your Request

I bought an ex South East Coast ambulance last year from Bluelight UK Ltd, based in Wigan. I understand the previous owners were an entertainments company and the vehicle was used as a prop for tv shows. Previously it was part of South East Coast ambulance service, I believe, from 2014 to 2021

I am requesting information regarding servicing history during the period it was with SECamb. If you can give me any information about servicing or repairs I would be very grateful.

I am the current owner of this now decommissioned ambulance (owner number 3 of 3)

The vehicle registration number is: AY14CSZ

The VIN number is: WDB9061532N560591

Date of first registration: March 2014

Year of manufacture: 2014

Cylinder capacity: 2987cc

Fuel type: Diesel

Formal Response

The registration and chassis numbers provided have been checked against our fleet management system and the Trust can confirm that this vehicle has never been owned by South East Coast Ambulance Service NHS Foundation Trust.
