Email:

Dear ,

Thank you for your request for information, which we received on **19/05/2026**.
We have considered your request under the Freedom of Information Act 2000.
Please ensure you quote the Internal Reference number above in any future correspondence.

Your Request and our Formal Response

Hove Pump Track has been open and in use since September 2024. I am submitting this FOI to request the following information:

- a) How many accidents have Secamb had to attend at the Pump Track since September 2024?
- b) How are the accidents categorised?

Please refer to the table below:

Category	Incidents with a Response
Cat1	1
Cat2	10

Date range: 01/04/2024 - 30/04/2026

Incident location criteria used – Must meet Criteria 1 and 2:

- **Criteria 1** - Postcode district is '**BN3**' or incident location contains '**Hove Lagoon**'.
- **Criteria 2** - Incident contains one of the following, '**Pump Track**', '**Pumptrack**', '**Skate Park**' or '**Hove Pump**'.

Definitions of Category 1 and 2 Calls

- **Category 1 calls** – incidents involving **life-threatening injuries and illnesses** requiring the **most rapid emergency ambulance response**. These are the most serious calls, where immediate intervention may be needed to save life.
- **Category 2 calls** – **emergency calls** for conditions that are **serious and may require rapid assessment or urgent transport**, but which are **not immediately life-threatening to the same extent as Category 1**.

c) Is the information shared with BHCC who are responsible for the park and the pump track

The Trust would not share information with the BHCC unless it has been requested. This Information has not been requested.

d) Is the information shared with any Health & Safety organisations, either within BHCC or external including Sussex Police and if so whom

The Trust would not share information with any Health and Safety Organisations within the BHCC or externally including Sussex Police unless it has been requested. This Information has not been requested.

e) Details of any meetings, conference calls, liaisons between Secamb, BHCC, Health & Safety, Sussex Police in relation to accidents that have occurred and how often

We do not hold this information.

f) Details of engagement to review the safety of the pump track in the light of accidents recorded

We do not hold this information.

Next steps

Some information held by the Trust is routinely published on our [website](#) and may be of assistance.

If you are dissatisfied with the Trust's response to your request, you have the right to ask for an internal review.

Requests for an internal review should be submitted within **40 working days** of the date of this response and should be sent to:

Richard Banks, Head of Corporate Governance at FOI@secamb.nhs.uk

The internal review will be conducted by an individual who was not directly involved in handling your original request, ordinarily the Trust's Data Protection Officer. We aim to complete internal reviews within **20 working days** of receipt.

If you remain dissatisfied following the outcome of the internal review, you may complain to the Information Commissioner's Office (ICO). The ICO generally expects complaints to be raised promptly following the completion of an internal review.

The easiest way to raise a complaint is via the ICO's website:
www.ico.org.uk/foicomplaints

Alternatively, you may write to:
