Dear ,

Thank you for your request for information, which we received on **04/06/2026**.
We have considered your request under the Freedom of Information Act 2000.
Please ensure you quote the Internal Reference number above in any future correspondence.

Your Request and our Formal Response

Under the Freedom of Information Act 2000, I would like to request the following information relating to the supply and availability of wound care consumables within your Trust, specifically swabs (sterile and non-sterile), cotton wool, bandages (including tubular and elasticated varieties), and non-woven balls and swabs.

1. Current Stock and Usage

- What is the current stock level of swabs, cotton wool, and bandages held by your Trust? Please break it down by product category where possible (e.g. sterile gauze swabs, non-sterile gauze swabs, x-ray detectable swabs, tubular bandages, non-woven products).

The Trust currently holds sufficient stocks of swabs, cotton wool and bandages to meet approximately two weeks' demand.

- What is your Trust's monthly usage or consumption of the above products by volume since May 2025 to present?

- Swabs non sterile – 1000 singles per year.
- Adhesive Bandage -3,600
- Conforming Bandage 10cm – 20,000
- Conforming Bandage 5 cm – 25,000
- Bandage No 3 - 3,400
- Triangular Bandage - 6,096
- Blast Trauma – 720
- Olaes – 1,400
- Hypafix -40
- Secure Forte – 10cm 360
- Secure Forte – 8cm 240

2. Supply Disruption Impact

- Has the supply disruption from any of these products resulted in any procedures being delayed, cancelled, or modified? If yes, please provide the number of affected procedures by month from January 2023 to the present.

No

- Has your Trust raised any formal incident reports internally or with NHS England/NHS Supply Chain as a result of this supply issue? If yes, how many in the past 12 months?

No

3. Stockpiling and Contingency

- Does your Trust hold a formal contingency or safety stock policy for swabs (sterile and non-sterile), cotton wool, bandages (including tubular and elasticated varieties), and non-woven balls and swabs? If yes, please provide the minimum stock threshold.

We hold two weeks stock across our operational locations, with four weeks stock held at our two Logistics hubs.

- Has your Trust increased stock levels of surgical sutures as a precautionary measure in the past 12 months?

No

- If yes, by how many units did you increase stock levels?

This is not applicable to the Trust.

Next steps

Some information held by the Trust is routinely published on our [website](#) and may be of assistance.

If you are dissatisfied with the Trust's response to your request, you have the right to ask for an internal review.

Requests for an internal review should be submitted within **40 working days** of the date of this response and should be sent to:

Richard Banks, Head of Corporate Governance at FOI@secamb.nhs.uk

The internal review will be conducted by an individual who was not directly involved in handling your original request, ordinarily the Trust's Data Protection Officer. We aim to complete internal reviews within **20 working days** of receipt.

If you remain dissatisfied following the outcome of the internal review, you may complain to the Information Commissioner's Office (ICO). The ICO generally expects complaints to be raised promptly following the completion of an internal review.

The easiest way to raise a complaint is via the ICO's website:
www.ico.org.uk/foicomplaints

Alternatively, you may write to:
