15th June 2026
Internal Reference: 260623
Email:

Dear ,

Thank you for your request for information, which we received on **09/06/2026**.
We have considered your request under the Freedom of Information Act 2000.
Please ensure you quote the Internal Reference number above in any future correspondence.

Your Request

Your previous request asked:

Hove Pump Track has been open and in use since September 2024. I am submitting this FOI to request the following information:

- a) How many accidents have Secamb had to attend at the Pump Track since September 2024?
- b) How are the accidents categorised?
- c) Is the information shared with BHCC who are responsible for the park and the pump track
- d) Is the information shared with any Health & Safety organisations, either within BHCC or external including Sussex Police and if so whom
- e) Details of any meetings, conference calls, liaisons between Secamb, BHCC, Health & Safety, Sussex Police in relation to accidents that have occurred and how often

f) Details of engagement to review the safety of the pump track in the light of accidents recorded

You have now requested:

As a follow up, are you able to provide accident numbers for 1st April 2026 - 30 May 2026 for Categories 1 and 2?

Formal Response

The Trust can confirm that this information exists. However, where an output represents fewer than 5 individuals or incidents in the period requested, we have not provided exact figures. This practice is known as data blurring, which serves to mitigate against the risk of possible re-identification of individual data subjects via data recombination (sometimes referred to as jigsawing). This risk is assessed in accordance with the Information Commissioner's Office (ICO) Anonymisation Code of Practice.

Please refer to the table below:

Category	Incidents with a Response
Cat1	Less than 5
Cat2	Less than 5

Date range: 01/04/2026 - 31/05/2026

Incident location criteria used – Must meet criteria 1 and 2:

- **Criteria 1** – Postcode district s 'BN3' or incident location contains 'Hove Lagoon'
- **Criteria 2** – Incident location contains one of the following, 'pump track', 'pumtrack', 'skate park', 'skatepark' or 'hove pump'.

Next steps

Some information held by the Trust is routinely published on our [website](#) and may be of assistance.

If you are dissatisfied with the Trust's response to your request, you have the right to ask for an internal review.

Requests for an internal review should be submitted within **40 working days** of the date of this response and should be sent to:

Richard Banks, Head of Corporate Governance at FOI@secamb.nhs.uk

The internal review will be conducted by an individual who was not directly involved in handling your original request, ordinarily the Trust's Data Protection Officer. We aim to complete internal reviews within **20 working days** of receipt.

If you remain dissatisfied following the outcome of the internal review, you may complain to the Information Commissioner's Office (ICO). The ICO generally expects complaints to be raised promptly following the completion of an internal review.

The easiest way to raise a complaint is via the ICO's website:
www.ico.org.uk/foicomplaints

Alternatively, you may write to:
Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
SK9 5AF

Yours sincerely,

Corporate Governance Team
South East Coast Ambulance Service NHS Foundation Trust
