Email:

Dear ,

Thank you for your request for information, which we received on 09/07/2026.
We have considered your request under the Freedom of Information Act 2000.
Please ensure you quote the Internal Reference number above in any future correspondence.

Please accept the Trust's apologies for the delay and inconvenience you have experienced regarding your FOIA request.

Your Request

I am writing under the Freedom of Information Act (2000) to request information on your trust's radiology reporting arrangements and workforce.

Whilst I have included response tables below, I have also attached an Excel input sheet in case this is easier for you to complete. Unless otherwise specified, please provide figures for the last four financial years (i.e., 2022/23, 2023/24, 2024/25, and 2025/26), or the most recent year available.

1. Please list the external teleradiology / outsourced and insourced reporting providers your Trust has used, with the reporting volume and annual spend for each, by financial year.

Provider	Model (outsourced / insourced)	Financial year	Studies reported (volume)	Annual spend (£)	Contract expiry (mm/yyyy)
Provider 1		2022/23			
		2023/24			

		2024/25			
		2025/26			
Provider 2		2022/23			
		2023/24			
		2024/25			
		2025/26			

2. For your diagnostic reporting, please indicate the split between studies reported and studies currently awaiting reporting (your backlog), as counts or as a percentage, with a total and, if possible, a breakdown by modality.

Modality	Studies reported (no. or %)	Awaiting reporting / backlog (no. or %)
TOTAL (all modalities)		
CT		
MRI		
X-ray / plain film		
Ultrasound		
Nuclear medicine / PET		
Other		

3. Please state your current consultant radiologist workforce (WTE/FTE).

Consultant radiologist posts (WTE/FTE)	Number
Funded / established posts	
Vacant / unfilled posts	

Formal Response

South East Coast Ambulance Service NHS Foundation Trust is an ambulance trust and does not provide radiology reporting services. We do not outsource radiology reporting; we refer patients for radiology as requesters under a care pathway. Radiology reporting is not provided by SECAmb nor is it outsourced.

As a result, the Trust does not hold the information requested in relation to radiology reporting arrangements, reporting volumes, expenditure, backlogs or consultant radiologist workforce.

Next steps

Some information held by the Trust is routinely published on our [website](#) and may be of assistance.

If you are dissatisfied with the Trust's response to your request, you have the right to ask for an internal review.

Requests for an internal review should be submitted within **40 working days** of the date of this response and should be sent to:

Richard Banks, Head of Corporate Governance at FOI@secamb.nhs.uk

The internal review will be conducted by an individual who was not directly involved in handling your original request, ordinarily the Trust's Data Protection Officer. We aim to complete internal reviews within **20 working days** of receipt.

If you remain dissatisfied following the outcome of the internal review, you may complain to the Information Commissioner's Office (ICO). The ICO generally expects complaints to be raised promptly following the completion of an internal review.

The easiest way to raise a complaint is via the ICO's website:
www.ico.org.uk/foicomplaints

Alternatively, you may write to:
