Dear ,

Thank you for your request for information, which we received on **31/07/2026**.
We have considered your request under the Freedom of Information Act 2000.
Please ensure you quote the Internal Reference number above in any future correspondence.

Your Request and our Formal Response

Please provide the following information relating to suspected ST-elevation myocardial infarction (STEMI) patients attended by South East Coast Ambulance Service NHS Foundation Trust and conveyed to Frimley Park Hospital for the period 1 April 2022 to the present.

1. The number of suspected STEMI patients conveyed to Frimley Park Hospital in each financial year.

Please refer to the enclosed supporting document.

2. The median, mean and 90th percentile:

- 999 call to arrival at scene.

Please refer to the enclosed supporting document.

- Time spent on scene.

Please refer to the enclosed supporting document.

- Transport time from scene to Frimley Park Hospital.

Please refer to the enclosed supporting document.

- Total time from the 999 call to arrival at Frimley Park Hospital ("call-to-door").

Please refer to the enclosed supporting document.

3. The proportion of suspected STEMI patients reaching Frimley Park Hospital within:

- Under 60 mins of the 999 call
- 90 minutes of the 999 call.
- 120 minutes of the 999 call.
- 150 minutes of the 999 call (if recorded).

Please refer to the enclosed supporting document.

4. Copies of any reports, modelling, impact assessments, briefing papers or presentations produced since 1 January 2022 that consider the impact of the proposed relocation of Frimley Park Hospital on:

- ambulance journey times;
- STEMI pathways;
- emergency cardiac care;
- call-to-door or call-to-balloon performance.

Following reasonable searches, the Trust has not identified any formal discussions with SECamb central or local leadership in relation to the proposed relocation of Frimley Park Hospital.

Based on the searches undertaken, the Trust does not hold any reports, modelling, impact assessments, briefing papers or presentations produced since 1 January 2022 that consider the impact of the proposed relocation of Frimley Park Hospital on ambulance journey times, STEMI pathways, emergency cardiac care, or call-to-door or call-to-balloon performance. The Trust has also not identified any formal engagement with Frimley Park Hospital in relation to these plans, including any communication with the local Head of Operations.

5. Copies of any correspondence between SECamb and Frimley Health NHS Foundation Trust, NHS England, NHS Frimley Integrated Care Board, or the New Hospital Programme regarding the impact of the proposed relocation on emergency cardiac pathways or ambulance access.

Following the searches undertaken for this request, the Trust has not identified any correspondence with SECamb on the matter of site location for Frimley Park Hospital as part of the new hospital and Frimley Health NHS Foundation Trust, NHS England, NHS Frimley Integrated Care Board, or the New Hospital Programme regarding the impact of the proposed relocation on emergency cardiac pathways or ambulance access.

Next steps

Some information held by the Trust is routinely published on our [website](#) and may be of assistance.

If you are dissatisfied with the Trust's response to your request, you have the right to ask for an internal review.

Requests for an internal review should be submitted within **40 working days** of the date of this response and should be sent to:

Richard Banks, Head of Corporate Governance at FOI@secamb.nhs.uk

The internal review will be conducted by an individual who was not directly involved in handling your original request, ordinarily the Trust's Data Protection Officer. We aim to complete internal reviews within **20 working days** of receipt.

If you remain dissatisfied following the outcome of the internal review, you may complain to the Information Commissioner's Office (ICO). The ICO generally expects complaints to be raised promptly following the completion of an internal review.

The easiest way to raise a complaint is via the ICO's website:
